Devotions

By Chance or Creation?

I have 10 pennies numbered 1-10. What are the chances I would select the same sequence of pennies twice in a row? It's impossible. There are some who say that the universe, the earth, and everything in the earth came about by chance. Consider the wonders of the universe. Consider the wonders of the human body. We also can say in the words of the writer of Hebrews, "By faith we understand that the world was created by the Word of God" (Hebrews 11:3).

God is Not a Stand-Offish God

There are some people who say that God created the universe; however, like a watchmaker who puts together a watch, this god wound the universe up and let it go and stepped aside. But that's not what the Bible tells us about our God. God cared enough to send his Son and promise us "I am with you always!" Our God is active, present, and desires to be a part of this world and especially our lives.

Recreation

Last Night we saw some fine looking creations as couples walk down the tennis courts for the 2009 Grand March! After the March the Cubs formed in to five groups; Mercury, Venus, Earth, Mars, and Saturn. We got to know each other through various handshakes and then played a number of games including the Lifesaver pass, the Hula Hoop pass, and Arches.

Sports

Girls Division 1: Shrubs 2-0; Flowers 1-1; Fruit Trees 1-1; Evergreens 0-2

Girls Division 2: Oceans 2-0; Prairies 2-0; Forests 0-2; Mountains 0-2

Boys Division: Birds 2-0; Reptiles 2-0; Insects 1-1; Mammals 1-1; Amphibians 0-2; Fish 0-2

Cub sports got off to a rousing start yesterday with some very close games and competitive action. Many teams demonstrated fine sportsmanship as well. The Shrubs grabbed the early lead in Girls Division 1. The Oceans and Prairies jumped ahead in Girls Division 2, and the Birds and Reptiles are out in front in the Boys Division. (The sports director notes that we may need to add some water sports to get the Fish and Amphibians going!) But it's early, and everyone is still in the hunt! So we look forward to some great action on the sports fields today.

Thank You Song

"FOR THESE BLESSINGS"

(tune: Are You Sleeping?)

For these blessings, for these blessings,
Thanks and praise, thanks and praise,
Joyous celebration, joyous celebration,
For these days, for these days.

Talent

Yesterday noon we listened to Emily Dirk and Liz Senstad sing "The Climb" and Caleb Larson played the Mario theme song. At supper Jessie Martin entertained us with her rendition of "Brown Bag Boogie" on the piano. Several Cubs displayed special abilities at the tennis courts in the evening including the "pretzel man", Conner Lark, the "human top" Jiri Strejl, and gymnastic specialist Carrie Miller. This morning Allison Kochheiser and Meghan Zug did the skit: "Always be Ready"—with an aspiring "Jesus" played by Pastor Wolfram.

Kabin Korn

Asher L: First full day was awesome! We loved everything we did (except the lake water was pretty gross.) Asher also got 2nd in cabin cleanup!!! So awesome right! And again our counselors Rock and we are all best buddies!

Gad L: Yesterday our cabin was very hot so we had to turn on all the fans and left the windows open—but our teeth were chattering by morning.

Dan L: This is fun!

Asher R: Cabin Asher rocks! It's so funny because the right side always goes to the left side, and we just hang out and talk! We have this whole alarm thing and this person tells this person when to wake up, then this person tells this person, and so on....We have 4 open beds so we have a lot of extra space! But everyone is acquainted and happy. And our counselors are the bomb! So much fun!
