Devotions

Our heavenly Father has made us all unique. He determined our eye color, hair color, personality, skills, and gifts. God values each and every one of us so much that He was willing to give up His own Son for us. Even though there are times those around us might get on our nerves, act differently, or do things differently we know that we are all God's children uniquely made by Him.

We are about to embark on the great adventure! God our Father gives us everything we need for that adventure. He made us His own through baptism, given us the gift of faith, prayer to communicate with Him, His Word so we know about His love for us, and each other. God has made it possible for us to be packed and ready to go on the great adventure of Cub week and our lives.

Naphtali—Left Side

Our Adventure at the Great Adventure was a fun first night! We had a delicious dinner, spectacular singing, and devotions. Our great supper was hamburgers, beans and chips. Devotions were great discussion. Some people were sad and scared but there was always someone there if someone was hurt or bleeding the counselors were there! We stayed up late and showered too. We toured and met, and made friends. It was an awesome first day. I can't wait for the rest of our adventure.

Issachar

Issachar is a great cabin. We're having lots of snacks and fun. Our beds are nice and clean and we have lots of fun for air! Our Counselors are great. We're all having a good time in Issachar.

You don't necessarily have to have all the answers right to win - if nobody gets all the right answers, the one with the most right wins. Ties will be broken by a drawing.
